

## Parent Instructions

### For those scheduled for photos BEFORE Opening Ceremonies:

Please have your child/children at the field, ready to be photographed at least 10 minutes before the scheduled picture time. Teams will gather together and go to the scheduled photographer together (click on the link on the main page to see the Picture Day schedule for each team). All players should be ready to go at picture time — uniforms on, shirts tucked in, shoes tied, sweats off.

Latecomers may miss the team photo!!!!!! Please note that even if your child is not getting an individual photo, we still want him/her in the team photo, so please be sure to get him/her there on time, dressed and ready to go.

### For those scheduled for photos AFTER Opening Ceremonies:

Please have your child/children head straight over to the field where the photographers are and gather in groups in the order listed on the schedule. The photos will be taken very quickly as all the players will be there and ready to go, so please don't let anyone wander off. Again, all players should be ready to go — uniforms on, shirts tucked in, shoes tied, sweats off.

Please note that even if your child is not getting an individual photo, we still want him/her in the team photo, so please don't leave the field without your child getting in the team photo.

### Notes for Everyone:

Please try to find time to fill out the order form in advance (it is a lot easier to do on your kitchen table than it is at the shoot — there are a lot of choices!). If you haven't received an order form, please ask your coach.

Payment is due on Picture Day. Photos will not be processed without payment. Orders placed after the Picture Day will be assessed a \$7 shipping charge.

We accept cash, checks (Payable to TSS), Mastercard, Visa and Discover.

Consider a buddy shot -- pictures with siblings, friends or coaches (especially dads/moms).

If you order trading cards, please fill out the center portion of the envelope with the stats for the backs of the cards (height, weight, position, etc.). I always have a measuring tape available for emergencies!

If you have ANY questions, please e-mail or call me at your convenience. My contact information is on the top of the order form. Thanks!
